Ring Road, Industrial Area.

Dear Madam,

RE: FINAL DEMAND NOTICE.

We act as Lawyers for AHND Limited and write at its behest on the above subject.

We refer to your demand letter dated June 28, 2019 served on the C.E.O of AHND Limited, Mr. Michael Ahwireng demanding the repayment of the debt of GHS300,000.00 owed to Forewin Ghana Limited.

We wish to thank the Management of Forewin Ghana Limited for its magnanimity in dealing with the recovery of our Client's indebtedness though it has defaulted on the repayment proposal submitted in 2018.

Unfortunately, our Client is in dire straits and has not been able to fulfil its obligation to Forewin Ghana Limited as per your demand.

However, our Client is taking urgent steps to expeditiously mobilize funds to repay its debt.

We wish to humbly apologize for our Client's inability to strictly abide by the payment terms as envisaged.

We however, hasten to state that our Client's inability to perform their obligation was neither willful nor deliberate but rather as a result of a myriad of serious operational and production challenges over the past 10 months caused by the very irregular production by its main Supplier, African Investment Manufacturing Ghana Limited (AIMG) resulting in the default in payments till date.

Being in dire straits, our Client could no longer secure goods to sell to meet the ever increasing demands from its customers to make revenue to pay their debt to Forewin Ghana Limited.

We are hopeful that the situation will improve positively within two months to enable our Client make a good will payment of GHS50,000.00 on or before 31st October, 2019 and to propose a payment of GHS50,000.00 monthly installments in order to liquidate their total indebtedness in respect of the above sum.

We wish to assure Forewin Ghana Limited that AHND Limited is desirous of keeping its business relationship with them to do good business for their mutual benefit.

Once again please accept our apologies for any inconveniences caused Forewin Ghana Limited due to unforeseeable delay in payment.

Many thanks.

Yours sincerely,
